PRODUCT DESCRIPTION

The Formax FD 400 Paper Jogger is a compact paper jogger that works effectively with all your paper processing needs. The Formax FD 400 Paper Jogger will align and separate forms or paper for proper feeding into copiers, folders, labelers, and more. The Formax FD 400 Paper Jogger reduces static electricity caused from running mass quantities of paper through a printer. The Formax FD 400 Paper Jogger sits comfortably beside larger office equipment. With its tilted rack and variable speed setting, this machine is easy to operate and jogs up to 8 1/2 x 14 size paper. An especially good machine for mass mail documents.
