### PRODUCT DESCRIPTION

The ProFold Super Elite 500 VF paper folder operates at a variable speed up to 30,000 sheets per hour. The ProFold Super Elite 500 VF paper folder features side guide manifolds and a vacuum wheel feed that eliminate the need for fanning. ProFold has installed skewed paper side guides on the feed table with micrometer adjusting screws. This permits fine control corrections for ream edge cut variations while the folder is operating. Stand not included.
