### PRODUCT DESCRIPTION

The FD 601X Folder Inserter has 1 sheet feeder and 2 insert feeders that can process up to 2,200 pieces per hour, and can fold and insert up to five sheets of paper. A centrally located control panel and easy to follow step by step instructions gives the FD 601X the ease of operation expected in the office environment. Features include a clamshell design for easy access, one touch setup, various fold types, and 20 pre set fold applications for frequently used mailings. Multi feeding allows for a set number of pieces to be pulled from one feeder, then collated and inserted automatically. Sleek and compact, the FD 601X Folder and Insert machine is ideal for the office environment.
