### PRODUCT DESCRIPTION

The compact FC 9 fore edge trimmer connects on line to the SPF 9 A to create a professional finishing system. It uses a self sharpening scissor system to trim documents. It s pre set to trim at a 1 8 margin on four standard paper sizes and is capable of trimming as deep as 1 2 . The operator can customize pre set cut dimensions for increased efficiency. The FC 9A can produce up to 2,100 trimmed booklets per hour so that it is paced with the SPF 9 A . Capable of trimming up to 44 sheets at a time.
